Kirkstall  
Abbey

# Welcome

The most historic wedding venue in Leeds with over 860 years of history within its walls.

The awe-inspiring Abbey ruins and tranquil surrounding parkland on the banks of the River Aire make the perfect backdrop for your wedding in Yorkshire.

By choosing to hold your ceremony at Kirkstall Abbey you are not only choosing a stunning setting for you and your guests but you are also becoming part of the history of Kirkstall Abbey and helping to preserve this ancient monument for future generations.

# The Abbey Church

Set within the original Cistercian church, the dramatic arches and tower ruins create a romantic open-air venue which is perfectly suited to weddings large or small, formal or informal.

Your wedding party will have exclusive use of the church for your ceremony and photographs. The wider ruins are open to explore afterwards.

# The Rose Room

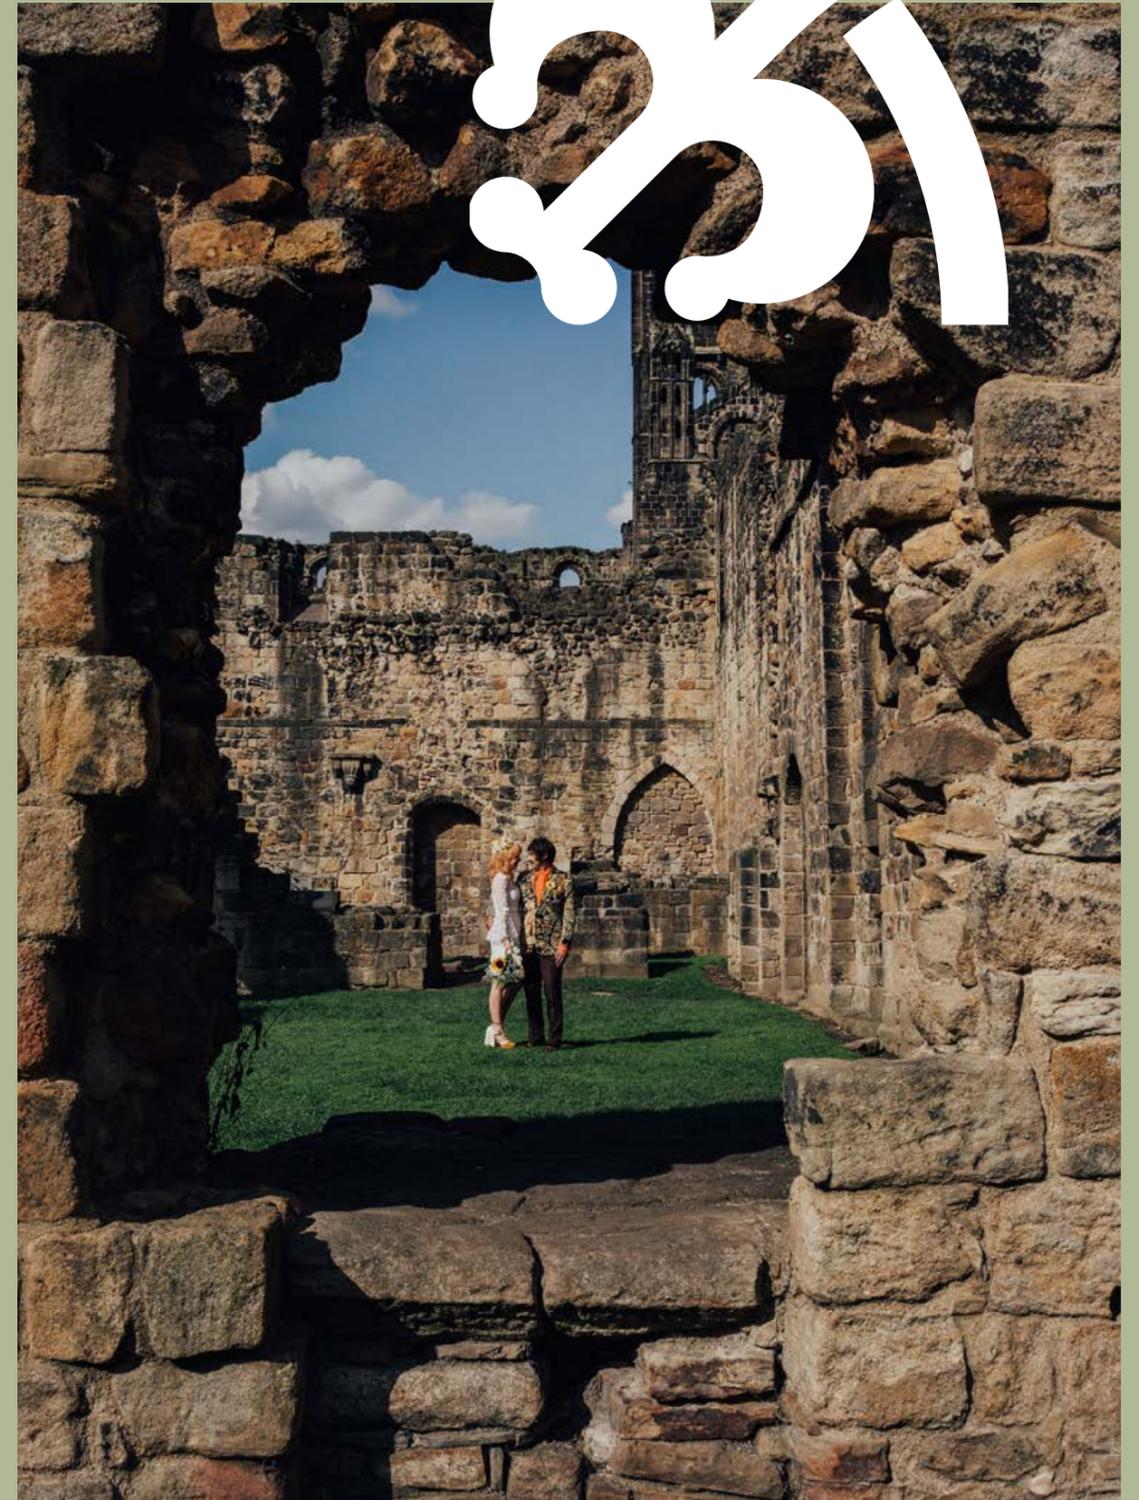

The intimate Rose Room provides a charming setting for a small wedding ceremony all year round. Featuring original artefacts from the Abbey ruins, the delightful space is ideal for couples looking for something a little different.

After the ceremony the celebrations can begin with a welcome drink and canapés. Your guests can relax whilst you explore the idyllic surroundings of the ruins for your wedding photographs.
