

## Family Favourites Museum Trail

Here are some fun things to do at the Museum. Move, look, listen and imagine!

There are still things you can touch. Please sanitise and clean your hands regularly. As some of our toys have gone on holiday, you are welcome to bring your own toy and book.

### Life on Earth gallery, Lower Ground

Search for animals by walking on the lines. Start near the polar bear

Listen to the animal sounds

Stand near the apes to see how similar you are

Family Favourite! Find the tiger

### Voices of Asia gallery, First Floor

Find objects that look like animals. Can you move and pose like the animal?

Look up high for the kites

Drum on your knees when you find the cabinet of musical instruments

Family Favourite! Choose your favourite colourful object

## Collectors Cabinet gallery, First Floor

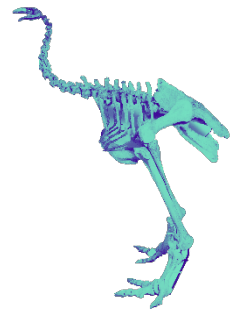

Make yourself into the shape of an egg next to the Moa Bird

Read your own book near the statue of the reading lady

Family Favourite! Peer up high for the upside down creature

## Leeds Story gallery, Second Floor

Listen to the music of a flute made from a sheep's leg bone!

Smell things from the past

Family Favourite! Spot the aeroplane propeller

## Ancient Worlds gallery, Third Floor

Crouch down near the massive ancient pot. Do you think you'd fit inside?

Listen to the music near the Ancient Egyptian mummy

Family Favourite! Find the head of Medusa
